

**GIT World's Jewelry Design Awards 2014 has been greatly and successfully organized with deserved dignity, under the title *"Battle of Colors; The Design Your Eyes Can't Ignore"***

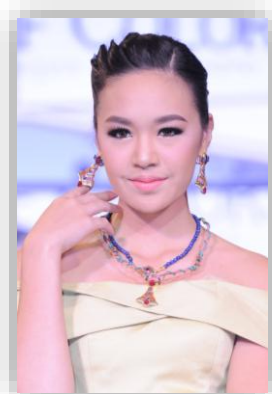

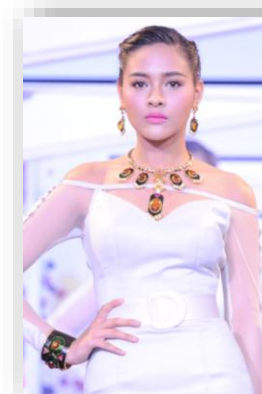

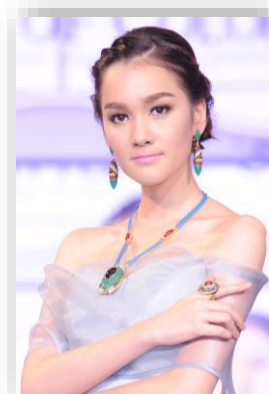

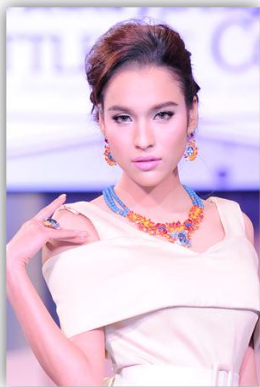

The 8<sup>th</sup> GIT World's Jewelry Design Awards 2014 attracted a total of 303 designs from international designers. Among them, there were 88 men's jewelry designs and 218 women's jewelry designs. There were international – designers from 13 countries who participated in this contest such as Thailand, United State of America, Italy, England, United Arab Emirates, Iran, India, Japan, Taiwan, Singapore, Malaysia, Indonesia and Vietnam. The design prequalification round was held on last Friday 25<sup>th</sup> July, and the expert committee has selected a total of 30 designs from both categories. The qualified designs were exhibited alongside the works designed by students from the institute's design course. In this regards, the committee finally selected 6 from 30 prequalified designs to be used in actual production of jewelries and brought into the final round of the Jewelry Design Awards. Besides, GIT has offered an extra award i.e. the Popular Design Award 2014 which is based on votes from interested persons among the 30 prequalified designs. On this occasion, there were a total of 5,326 votes from the participants.

The exhibition of jewelry designs was organized for 2 days. On Tuesday 25<sup>th</sup> November 2014, there was a fashion show of jewelry designs by students of the institute's handmade jewelry design course and there was also a mini-concert of a singer; Khun Tukta the Voice Season 2. The final round of the competition was held on Wednesday 26<sup>th</sup> November 2014 at 1st floor, Eden Zone, Central World Shopping Center. The event activities include an exhibition of designs prequalified for the final round competition and there are numbers of event participants including relevant persons from government sector, entrepreneurs, designers, and other interested persons.
